MEMORANDUM FOR: Travel Officer

SUBJECT : Transportation for Four Pilots

25X1A6a

1. The four pilots who are at [REDACTED] this week will return to Washington at approximately 1800 hrs, Friday, 14 September. These individuals will remain in Washington over that weekend and will be available to you on Monday for passport processing. They will be registered at the Hamilton Hotel. The first three pilots, as listed below, have in their possession return trip tickets to Los Angeles, while the fourth has the balance of an advance intended to cover his return to Los Angeles. It will therefore be necessary for you to make reservations for four people for the noon flight to Los Angeles on 18 September, indicating to the Airline people that one ticket is yet to be purchased. Also, the first three pilots have in their possession the necessary passport photographs but arrangements will have to be made for [REDACTED] to procure his photographs here. These pilots are:

2. For your information, a pressure suit belonging to [REDACTED] is being stored in the Project RI Office, while he is at [REDACTED]. This suit should be given to [REDACTED] sometime Tuesday morning prior to his departure for the West Coast. Each of the pilots indicated to me this date that he had in his possession valid birth evidence for passport processing. If you intend to meet the pilots at the Airport upon their return from [REDACTED] on Friday evening, I would suggest that you ask [REDACTED] to determine through the Office of Training an ETA for them in Washington.
